### Integrity You Can Trust

When manufacturing gluten-free foods, trust is always the bottom line. Formulating with certified gluten-free ingredients from PGP International gives you and your customers the peace of mind that comes from choosing consistent, reliable and certified gluten-free ingredients.

- Our gluten-free ingredients contain no more than 10 ppm gluten – twice as stringent as proposed FDA standards.
- Our facility regularly undergoes third-party audits to verify that processing, sanitation, and storage conditions are gluten-free.
- We produce all our ingredients in accordance with current Good Manufacturing Practices and the provisions of the Federal Food, Drug and Cosmetic Act.

### Our Ingredients, Your Choices

Our ingredients help you eliminate gluten, not product functionality or quality. All PGP International gluten-free ingredients are designed to deliver versatility in a wide range of gluten-free product applications. Our gluten-free ingredients improve the taste and texture of the following:

- Bakery Mixes
- Batters and Breadings
- Breads
- Cakes and Pastries
- Cereals
- Cookies
- Energy and Nutritional Bars
- Muffins
- Pasta
- Pizza Doughs
- Snack Foods
- Tortillas

Whatever gluten-free project is on your plate, we have the ingredients to make it better. We are also able to provide our latest GFCO certification, which lists our full line of gluten-free ingredients. Just give us a call and we will help you find the tools to make gluten-free foods that consumers can feel good about.
